- The P.A.H.E "mission statement" reads: We are a diverse group of individuals who come together for the common goal of fellowship, support, education, and encouragement in the pursuit of home educating our children. We believe that religious, moral and political convictions cannot be separated from the educational process and life itself. Therefore, discussions among individuals on these issues and other aspects of child rearing, Bible based beliefs, family life and home education are inevitable and encouraged. Knowing and accepting all of this, each of us, in this group, continually strive to be sensitive and respectful of the personal beliefs, moral convictions, political persuasions, and educational views of everyone with whom we come in contact.
- The purpose of M & M Monday is to allow homeschool families the chance to experience and learn new things and fellowship together.
- Parents **MUST** be present and are **REQUIRED** to teach or help in at least two (2) out of the four (4) class periods each Monday. If you are unable to meet this commitment, you must find a substitute and notify the Chair.
- All participants must sign up for classes by the registration date. The downloaded version of **ALL** policies **MUST** be signed and turned in at this time. Payment secures your child's place in the class.
- The success of M & M Mondays depends on the commitment of everyone involved. If you know that you will be missing several Mondays, please wait and join us the following semester. We are counting on full participation.
- Each family is required to do their share of clean up before they are to leave. You are also required to volunteer 1 hour a semester to P.A.H.E.
- All children participating must be signed up with the University of Illinois Extension Special Interest Group Fine Arts and Science Team for insurance purposes. See Leadership Committee members if you have any questions.
- Cost of M & M Mondays operational fee and a one time yearly membership are to be paid in full at the time of registration. If you are unable to pay these fees, please talk to the Leadership Committee, as there may be some scholarships available.
- * Children who have a fever, are vomiting, have diarrhea, active cough, contagious rash, or are otherwise ill, must be symptom free for 24 hours before returning to the nursery. If there are any food allergies or serious medical issues please notify the M & M Monday Coordinator.

- If you need to charge more for supplies for your class, we need to know this before registration. Families will take this into consideration when choosing their classes.
- Please make sure your room is in the exact condition (or cleaner) as you found it.
- If you are unable to make it, you must contact your helper and give them the materials and instruction that they need to teach your class. Please also contact the M & M Monday Coordinator..
- Please be on time. M & M Monday starts at 9:00 A.M.
- We have a copier for use, or you can give your materials to our 4-H liaison a week prior to needing them to make copies at the Extension Office.
- If you need notification posted to the website please email the information to the website coordinator a week prior to updates.

It is a wonderful experience to be able to attend field trips and get group rates for the places we have. With that said, everyone participating must partake in the following rules / policies .

- **ARRIVAL.** Families **MUST** arrive 15 minutes prior to the assigned beginning time. If you know your family will be late, please call the coordinator for the event.
